

## Polyethylene Spill Pallets

### Model – GA - Range

**GA/0025/011**  
(Four Drum)

**GA/0027/011**  
(Two Drum)

### Description

When needing to store 205 Litre Drums on site, the Invicta range of plastic Bunding and Spill Pallet covers Two Drum and Four Drum configuration, agile and mobile with Fork Pockets in each design for safe and ease of movement on site. The galvanized gris/cover is easily removed to allow the excess to the bund to clean up any spillages.

Model	Length (mm)	Width (mm)	Height (mm)	Weight (kg)	Drum Capacity (ltr)
GA/0027/011	1450	710	295	35	2 Drums - 225.5
